

**COLLATING MACHINE**  
**SR412**

**Product specifications:**

- **Equipment model: SR412**
- Applicable paper size: length (120mm~490mm) width (120mm~300mm)
- Applicable paper thickness: 50~210g/m<sup>2</sup> for the top and bottom grids, 50~120g/m<sup>2</sup> for other grids
- Paper output method : front and rear output
- Pagination speed:3500~5000 copies/hour (A4 paper)  
3000~3800 copies/hour (A3 paper) max
- Power consumption:100~240V 50/60Hz 150W
- Working noise:≤ 70dB
- Equipment weight: about 85KG
