

DocuCentre S2110

A “small” device offering “simple” and “smart” advantages Satisfying all that a SME desires

Small in size yet BIG in performance

Easy to use & simple to set-up

The DocuCentre S2110 provides smart features that offer convenience & efficiency for public offices, hotels, travel agencies, banks and more.

DocuCentre S2110

Smart: Convenient features

Simple: Easy installation and operation

Small: Space-saving yet able to handle A3 paper size

Copy / Print

B/W: 21 sheets*/minute

Colour Scan

Local / Network

Warm up Time

18 seconds or less

* A4 LEF

Eco & Workplace Friendly

The DocuCentre S2110 is designed to be environmentally & workplace friendly. The device is equipped with technology that minimises ultrafine particle (UFP*) emissions.

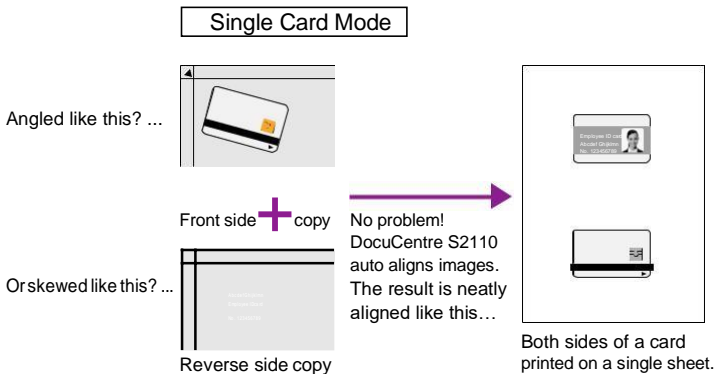

* UFPs are less than 100 nanometres in diameter, and far smaller than PM2.5 dust particles.

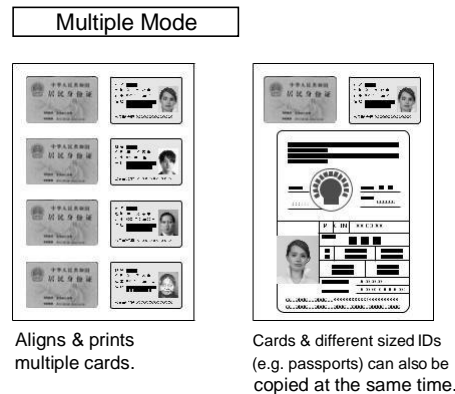

Smart

ID Card Copying

Are you taking time trying to neatly align ID and name cards etc. when copying? No problem for the DocuCentre S2110! Even if cards are placed slightly askew, the DocuCentre S2110 will take care of this by automatically straightening & centering everything.

Be it for copying corporate ID cards, driver licences, social security cards or credit cards, the DocuCentre S2110 makes double sided card copying simple.

Network Colour Scanning

In addition to network printing, users can also perform colour scanning directly from a PC. Just place the document on the DocuCentre S2110 and scan. Fuji Xerox provides gratis "Print & Scan Hub" software which enables users to select from PDF/JPEG/PNG scan formats.

*When this menu "Return from Sleep Mode by Any Key" is set valid.

Smart Print-sort Function

Why sort & collate multiple prints of the same document by hand? Let the DocuCentre S2110 sort multiple prints of documents for you!

Simple

Power Saver

The DocuCentre S2110 automatically switches to Sleep Mode when not used for a certain period of time. The machine "wakes up" when any button is pressed on the control panel.

Quick Setup

Quick Setup Tool makes setting up a PC to use the DocuCentre S2110 hassle-free. Quick Setup comes with the machine, and installs the printer driver, scanner driver and "Print & Scan Hub" software with simple procedures.

Note: Quick Setup does not install TWAIN software for scanning which must be separately installed.

Control Panel

The DocuCentre S2110 features a simple user interface that walks you through step-by-step to what you need.

Small

Space Saver

The DocuCentre S2110 is compact yet able to handle paper up to A3 size. It's convenient and everyone can use. You can chose...one single local user, or multiple users utilizing the DocuCentre S2110. It's up to you!

Configuration

On a desk or on the floor.
